

*BCU's Executive Manager, Member Relationships, Rod Macpherson, with Margie Berlin and Jenny Baker at a CSA presentation lunch held in Coffs Harbour in May.*

Margie is the organiser of the Coffs Coast Pink Cocktail Party Club, an organisation that received more than \$4000 from BCU via the Community Saver Account program this year. Margie said the money would go towards the Young and the Breastless, a group which supports women battling breast cancer on the Coffs Coast. Support group facilitator Jenny Baker said women who had to travel away from home to receive treatment often incurred unforeseen expenses. She said the group was there to support women in any way possible.

## Never sell another raffle ticket!

BCU has just given more than \$24,000 away to recipient community groups, sporting clubs and schools through the Community Saver Account program.

That's exciting, but we want to make it bigger and better next year!

So, to help recipient groups promote the program, BCU has produced a pack containing advertisements, newsletter articles, posters and handy tips on how to ensure you get the largest donation possible from BCU next year.

### So what are you waiting for?

Scream it from the hilltops or, alternatively, ask in branch about how to get a CSA promotion pack, so you never have to hold another cake stall ever again.
