This Product Disclosure Statement (PDS) has been designed to help you get the most out of your policy.

Use the contents pages and topic index to help find what you are looking for. Important tasks such as taking out insurance or making a claim are explained in easy to follow steps. And we have included a glossary of words with a special meaning.

When you take out an insurance policy with us, the cover we agree to provide you is set out in your current schedule, and described in this PDS, as well as any Supplementary PDS we may issue. Together, they make up the terms and conditions of your insurance contract with us. Read them carefully and store them together in a safe place.

If you need more information about this PDS, please contact us or your insurance adviser.

Information in this PDS may need to be updated from time to time where required and permitted by law. You can obtain a paper copy of any updated information without charge by calling us on the contact details provided in this document. If the update is to correct a misleading or deceptive statement or an omission that is materially adverse from the point of view of a reasonable person deciding whether to acquire the Policy, we will provide you with a new PDS or a Supplementary PDS.

Intermediary Remuneration

Insurance Australia Limited trading as CGU Insurance pays remuneration to insurance intermediaries when we issue, renew or vary a policy the intermediary has arranged or referred to us. The type and amount of remuneration varies and may include commission and other payments. If you require more information about remuneration we may pay your intermediary, you should ask your intermediary.

If you don't meet your responsibilities, we may refuse to pay your claim or reduce what we pay for your claim. We may also decide to cancel your policy.

You must tell us if:

If you tell us about any of these things, we may charge an additional premium, change the cover of your policy, impose special conditions, or cancel your policy.

- be truthful and frank in any statement you make in connection with your policy
- pay your premium, including paying instalments regularly
- take reasonable precautions to avoid a claim being made
- take reasonable steps to ensure that you and anyone acting on your behalf obeys all laws
- follow the conditions of this policy

- not make a fraudulent claim under this insurance policy or any other policy.

The course of action we take when you fail to do or provide notification of these things will be considered in each circumstance based on what impact or effect your failure to do these things or provide this information caused or contributed to the claim or our decision to issue your policy.

- not pay or promise to pay for a claim, or admit responsibility for a claim
- not repair or replace any damaged buildings or contents without our consent.

In addition, you also give us your rights to claim from anyone else

- if you have a right to claim from anyone else for an incident covered by us, you give us your rights to make that claim, to conduct, defend or settle any legal action and to act in your name – *you must not do anything which prevents us from doing this and you must give us all the information and cooperation that we require.*

When we make a request, we will only ask for information or cooperation that is relevant to our entitlement to make a claim against anyone else, or conduct, defend or settle any legal action, and we will tell you why it is needed.

If you do not meet your responsibilities

If you do not meet your responsibilities, we may refuse or reduce a claim, cancel your policy, or do both. If we cancel your policy we will advise you in writing.

The course of action we take when you fail to meet your responsibilities will be considered in each circumstance based on what impact or effect your failure to comply caused or contributed to the claim or our decision to issue your policy.

How To Take Out Insurance

How to apply for insurance

- 1. If you are taking out a policy with us for the first time, contact us or your insurance adviser, or apply online at cgu.com.au You can also send correspondence to GPO Box 9902, in your capital city**

If we agree to insure you, we will send you a schedule setting out the details of your policy.

2. Pay your premium

See **Your premium**, on this page ►
See **Your responsibilities when you are insured with us**, page 7 ◀

How to renew your insurance

- 1. If you already have a policy with us, we may send you an offer to renew your insurance before your current policy expires.**

We will send you an updated schedule and quote a premium based on the information contained in your current policy.

If you have any questions, contact us or your insurance adviser

2. Review the proposed policy and premium we offer

If you paid your last premium by instalments, we will continue to deduct payments from your nominated account. If you paid your last premium in one lump sum, we must receive your payment by the due date, otherwise your buildings or contents will not be insured.

3. Pay your premium

See **Your premium**, page 10 ►

How to cancel your policy

- 1. If you want to cancel your policy, contact us or your insurance adviser**

We may need your request in writing. If you cancel your policy before it ends, we will refund an amount for the unused premium.

How to change your policy

- 1. Contact us or your insurance adviser to change or vary your policy**

You may want to make certain changes to your policy, or notify us of changes to the information you have given us.

You will be sent an endorsement schedule that includes any changes or variations you have requested and we have agreed to, and any special conditions we may have applied to that agreement. An additional premium may apply to the requested change.

2. Check the changes

3. Pay your premium if it has increased

We will tell you if your premium has increased. If you pay your premium by instalments, we will adjust your instalments and continue to deduct the new amount from your nominated account. If you pay your premium in one lump sum, we must receive your additional payment within one month.

If we make the change before you pay any additional premium, then you must pay the additional premium by the date we tell you it is due or we may remove the change from your policy. If we cannot remove the change and maintain cover, we may cancel your policy.

If you move to a new home

- 1. If you have buildings insurance and you move permanently to a new home within Australia**

You must contact us or your insurance adviser if you would like to insure your buildings at your new home.

2. If you have contents insurance and you move permanently to a new home within Australia

We will cover your contents at both your original home and your new home for 14 days, starting from the date you start moving your contents to your new home.

You must tell us that you are permanently moving your contents to a new home within 14 days from the day you first start to move.

We will advise you if there are any changes to your premium or the terms of your insurance.

Your premium

1. How we calculate your premium

We will base your premium on the type of cover you have chosen, including any options that you have added, your sum insured, the excess, the type, location, construction and age of your buildings or contents, the level of security you have, your previous insurance and claims history, and any special conditions that we have applied.

Premiums are also subject to Commonwealth and State taxes and/or charges. These include the Goods and Services Tax and stamp duty.

Your premium, including any taxes and charges, will be listed on your schedule.

2. How to pay your premium

You can pay your premium in one lump sum, or by instalments.

If you pay your premium in one lump sum, you can pay by cash, cheque or credit card.

If you pay your premium by instalments, you can pay by credit card or by direct debit from a nominated account.

3. Interest on unallocated premium

If we are unable to issue your insurance when we receive your application, we are required to hold your Premium in a trust account on your behalf until your insurance can be issued. We will retain any interest payable by our bank to meet, among other things, bank fees and other bank costs we incur in operating the account.

What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any instalments by the due date specified on your schedule. An instalment is unpaid if it cannot be deducted from your nominated account or credit card. If your premium is overdue we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- cancel your policy for non-payment, and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows we can reduce the settlement payment by the overdue amount.

Your excess

If you make a claim, the excess is what you are required to contribute to the claim.

We will tell you:

- if an excess applies to your claim
- how much that excess is, and
- how we will collect this from you.

We can collect from you by:

- deducting it from what we pay you, or
- asking the repairer or supplier to collect it from you.

If we request you pay the excess, we will tell you who to pay and may require the payment as part of the finalisation of the claim.

The amount and type of excess that may apply to your policy is shown on your current schedule and in this PDS. In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay. We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history. At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

Financial Claims Scheme

You may be entitled to payment under the financial claims scheme in the event that Insurance Australia Limited trading as CGU Insurance becomes insolvent. Access to the scheme is subject to eligibility criteria. Information about the scheme can be obtained from <http://www.fcs.gov.au>.

How To Make A Claim

1. Make sure you have all the information you need to support your claim

We will need:

- contact details of any other people involved in the incident, including their name, current residential address and who they are insured with
- any letters, notices or court documents about the incident as soon as reasonably possible after receiving them
- the incident report number for any claims in relation to theft or attempted theft, vandalism or a malicious act:
 - the Police will provide you with this number when you report the incident to them.

2. Contact us or your insurance adviser to make a claim

You need to make your claim as soon as reasonably possible. Any delays may :

- reduce the amount that we pay, **or**
- prevent us from paying a claim.

We will give you immediate advice and assistance with your claim, 24 hours a day, 7 days a week.

We will ask you a range of questions to help us assess your claim. We may:

- ask you to provide us with proof of ownership
- need to inspect your buildings or contents
- need quotations from a repairer.

3. If you need emergency repairs

If you need to make emergency repairs, we can, at your request, arrange assistance through our preferred repairers and suppliers.

How we settle a buildings claim

1. We will decide how we will settle your claim

If your buildings suffer loss or damage, we will decide whether to:

- repair
- rebuild, **or**
- pay you the cost to repair or rebuild that part of your buildings that suffered loss or damage.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

If we decide to repair, rebuild or pay you the cost to repair or rebuild, we will:

- pay you up to the buildings sum insured, as listed on your schedule
- only repair the damaged parts of your home.

We don't pay for materials to match the undamaged parts of your home to create a uniform appearance. In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas using the closest match available. If you are not satisfied with the closest match, you are able to:

- pay the extra cost of repairing undamaged areas to achieve a matching appearance, **or**
 - we will pay you what it would have cost us to repair the damaged area provided that cost is available to or actionable by you
- repair or pay you the costs to repair your buildings if the loss or damage was caused by water or liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, **however:**
 - we will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

When we settle your claim, the law that will apply is the law of the State or Territory where the loss, damage or liability occurred.

How we calculate the amount if we choose to pay you

If your building is repairable, in some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us provided that cost is available to or actionable by you.

What are some examples of when we do this?

- when you decide not to repair or rebuild your home
- if you don't start repairing or rebuilding your home within 6 months of the loss or damage, or within any longer period we agree to in writing
- if not all the damage to your building is covered by this policy – you can find examples of these under 'Exclusions to your cover' in this policy
- your building may have had some damage that existed prior to the event you are claiming for
- your building cannot be repaired until other work that is required to be done by you is completed, or
- when it is the only way to settle your claim.

Calculation of the amount

- we may ask you to obtain a quote or we will obtain a quote for the repairs from our builder or repairer
- if we obtain the quote we will provide you with details of the work that has been included:
 - this will be detailed in the quote, or
 - for larger claims we may include a scope of works
- we will confirm that the builder who has provided the quote is prepared to undertake the work – provided you have completed any work that is required to be done by you first
- the amount we will pay you will not be more than the buildings sum insured.

2. You must pay any excess that applies

If you make a claim, you will need to pay any excesses that apply as part of the finalisation of your claim.

If you are claiming for any loss or damage that occurs as a result of an earthquake or tsunami, you will need to pay an additional excess of \$250. This loss or damage must occur within 72 hours of the earthquake.

As part of the finalisation of your claim you must pay any excess to us, or to the builder – we will tell you who to pay the excess to.

If we choose to pay you, we may deduct the amount of excess from the amount we settle your claim for.

For the **excess that may apply**, see your current schedule

3. If we decide to repair or rebuild your buildings and your current schedule shows 'including replacement benefit'

We will repair or rebuild the part of your buildings that suffered the loss or damage to a condition as close as possible to when new, but not better.

If we rebuild your buildings, we will also pay the amounts that you need to pay to ensure your buildings comply with government legislation and local authority bylaws, **unless:**

- you were required to pay these amounts before the loss or damage occurred, and you did not do so.

You can choose your own repairer or tradesman or we can help you find one.

If we authorise repairs, we will deal directly with the repairer or tradesman about payment.

4. If we decide to repair or rebuild your buildings and your current schedule does not show 'including replacement benefit'

We will:

- repair your buildings to the condition they were in just before the loss or damage occurred
- pay you the cost of repairing your buildings to the condition they were in just before the loss or damage occurred, **or**
- pay you what the value of the land and your buildings was just before the loss or damage occurred, after deducting the amount we estimate as the value of your land and buildings after the loss or damage occurred.

5. After we agree to settle a claim

The repair or rebuilding work on your buildings must start within six months of the loss or damage occurring, otherwise we will not pay any additional costs caused by any delay caused by you or any builder or supplier you engage or appoint for the repair or rebuilding work.

If the work does not commence in this period, we will do one of the following:

- repair your buildings to the condition they were in just before the loss or damage occurred
- pay you the cost of repairing your buildings to the condition they were in just before the loss or damage occurred, **or**

- pay you what the value of the land and your buildings was just before the loss or damage occurred, after deducting the amount we estimate as the value of your land and buildings after the loss or damage occurred.

6. If your building is a total loss

We will pay you the sum insured for your buildings, as listed on your schedule, after deducting:

- any excess
- any unpaid premium, **and**
- any input tax credit you would have been entitled to under *A New Tax System (Goods and Services Tax) Act 1999* if you had paid to repair or rebuild your buildings.

If we pay you the sum insured, then your policy comes to an end, subject to any continuing liability cover and no refund of your premium is due.

See also **Liability cover – when your buildings are a total loss**, page 6 ◀

How we settle a contents or valuable items claim

1. We will decide how we will settle your claim

If your contents or valuable items suffer loss or damage, we will decide whether to:

- repair an item
- replace an item, **or**
- pay you the cost to repair or replace the item.

If we do, we will pay up to:

- the contents sum insured, as listed on your schedule, **and**
- the maximum amount per item, set, pair, collection or system.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

If the item is part of a pair, set, collection or system, we will only cover the value of the item itself, **however:**

- the most we will pay is the value of the item as a proportion of the combined pair, set, collection or system, or
- we will either pay you the cost to replace the entire pair, set, collection or system or replace the entire pair, set, collection or system. We will only do this if the entire pair, set, collection or system is completely inoperable because of the loss or damage to a single item which cannot be replaced or a single replacement item does not complete the pair, set, collection or system to make it operational, for example hearing aids.

To find out **what we will pay**, see page 2 ◀

How we calculate the amount if we choose to pay you

In some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to or actionable by you.

What are some examples of when we do this?

This may occur when the other settlement types under 'We will decide how we settle your claim' are unable to be used, or when it is the only way to settle your claim.

Calculation of the amount

If we choose to settle your contents or valuables claim by paying you the reasonable cost to repair or replace the items we will calculate this amount in the following way:

- if it was based on the cost to replace the item included as part of your claim:
 - we will agree with you the appropriate replacement item to settle your claim
 - we may ask you to obtain a quote or we will obtain a quote from our supplier to replace the item and supply it to you
 - we will use the quoted amount as the basis of the settlement
 - the amount we pay you will not be more than contents or valuables sum insured in total and the maximum amount per item, set, pair, collection or system as relevant.
- if it was based on the cost to repair the item included as part of your claim:
 - we will agree with you the repairs covered by your policy that are required to settle your claim
 - we may ask you to obtain a quote or we will obtain a quote from our supplier or repairer to repair the item for you
 - the quote will include the details of the repairs required
 - we will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than contents or valuables sum insured in total and the maximum amount per item, set, pair, collection or system, as relevant.

2. You must pay any excess that applies

If you make a claim, you will need to pay any excesses that apply as part of the finalisation of your claim.

If you are claiming for any loss or damage that occurs as a result of an earthquake or tsunami, you will need to pay an additional excess of \$250.

This loss or damage must occur within 72 hours of the earthquake or tsunami.

As part of the finalisation of your claim you must pay any excess to us, or to the supplier or repairer – we will tell you who to pay the excess to.

If we choose to pay you, we may deduct the amount of excess from the amount we settle your claim for.

For the **excess that may apply**, see your current schedule

3. If we decide to repair your contents or valuable items

We will repair the damaged item to the condition it was when new.

If the item we are repairing is part of a pair, set, collection or system, we will only cover the part of the pair, set, collection or system that was damaged.

Where the loss or damage to an item that forms part of a pair, set, collection or system results in the pair, set, collection or system being completely inoperable, or if any replacement part does not function to enable operation with the remaining item/s in the pair, set, collection or system, then we will pay you the cost to replace the entire pair, set, collection or system. For example, where a single hearing aid is lost or damaged and a single replacement will not enable the pair to operate, we will replace both hearing aids.

4. If we decide to replace your contents or valuable items

We will replace the item with the nearest equivalent new item.

We will only replace wall, floor and ceiling coverings, including carpets, internal blinds and curtains, in the room, hall or passage where the loss or damage occurred.

We will not pay to re-carpet adjoining rooms, or your entire home.

Any salvage becomes our property.

5. If we decide to pay you the cost to repair or replace your contents or valuable items

We will pay you the fair and reasonable costs to repair or replace your contents or valuable items as described in Steps 1, 3 and 4, after deducting:

- any excess, **and**
- any input tax credit you would have been entitled to under *A New Tax System (Goods and Services Tax) Act 1999* if you had paid to repair or replace your contents or valuable items.

We will only pay the cost of replacing an item that is part of a pair, set, collection or system, even though the pair, set, collection or system to which it belongs is less valuable because it is incomplete.

Where the loss or damage to an item that forms part of a pair, set, collection or system results in the pair, set, collection or system being completely inoperable, or if any replacement part does not function to enable operation with the remaining item/s in the pair, set, collection or system, then we will pay you the cost to replace the entire pair, set, collection or system. For example, where a single hearing aid is lost or damaged and a single replacement will not enable the pair to operate, we will replace both hearing aids.

Any salvage becomes our property.

How we settle a strata title mortgagee claim

1. What happens if your buildings are damaged?

If your buildings suffer damage we will pay the mortgagee the cost to repair that part of your buildings that suffered damage.

The most we will pay is the amount you owe on your mortgage, but no more than the amount listed on your schedule as the sum insured for strata title mortgagee protection.

2. If your building is a total loss

If your building is a total loss we will pay the mortgagee up to the amount you owe on your mortgage, but no more than the amount listed on your policy schedule as the sum insured for strata title mortgagee protection.

3. You must pay any excess that applies

If you make a claim, you will need to pay any excesses that apply as part of the finalisation of your claim.

For the **excess that may apply**, see your current schedule

How to resolve a complaint or dispute

1. Talk to us first

If you have a complaint, the first thing you or your insurance adviser should do is speak to a staff member in the area concerned. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

See **back cover** for "contact details" ►

If the staff member or claims officer are unable to resolve the matter for you, you or your insurance adviser may speak to a manager. If you are not satisfied with the decision, you can go to step 2.

2. Seek a review

If the matter is still not resolved, the manager will refer you or your insurance adviser to the relevant internal dispute resolution area who will conduct a review of your dispute.

If you are still not satisfied with the decision, you can go to step 3.

3. Seek an external review

You are entitled to seek an external review of the decision. The dispute resolution area will provide you or your insurance adviser with information about the options available to you, such as referring you to the external dispute resolution scheme administered by the Australian Financial Complaints Authority (AFCA). The AFCA is contactable on 1800 931 678 (free call).

Further information about the complaint or dispute resolution procedures is available by contacting us.
