

APRA Basel III Pillar 3 Disclosures

Quarter ended
31 March 2022

This report has been prepared by Police & Nurses Limited (PNL) to meet its disclosure requirements under the Australian Prudential Regulation Authority (APRA) Australian Prudential Standard (APS) 330 Capital Adequacy: Public Disclosure of Prudential Information.

These tables should be read in conjunction with the PNL regulatory balance sheet and the reconciliation between detailed capital disclosure template and the regulatory balance sheet.

Table 2 'Regulatory capital instruments' is not included as PNL does not have any such facilities.

Information is prepared using 31 March 2022 data.

PNL seeks to ensure that it is adequately capitalised at all times, both on a stand-alone and Group basis.

APRA applies a tiered approach to measuring PNL's capital adequacy by assessing financial strength at three levels:

Level 1, comprising of Police & Nurses Limited and its subsidiary entities that have been approved by APRA as being part of a single 'Extended Licensed Entity' (ELE) for the purposes of measuring capital adequacy; and

Level 2, the consolidation of Police & Nurses Limited and all its subsidiary entities except those entities specifically excluded by APRA regulations; and

ADI Consolidated Group is PNL Group at the widest level which includes PNL Landreach Pty Ltd whose principle activities are financing property development.

The Pinnacle Series Trust 2013 T1, The Pinnacle Series Trust 2017 T1 and The Pinnacle Series Trust 2021 T1 meet all the operational requirements (APS 120) for regulatory capital relief and are excluded for credit risk under Prudential Standard APS 112 Capital Adequacy. For statutory reporting purposes, all securitisation trusts are consolidated in the Group.

Unless otherwise specified, all quantitative disclosures in this report refer to the prudential assessment of PNL's strength on a Level 2 basis using a statutory valuation.
