What information you should expect from us

You will receive either a Terms and Conditions document, a General Conditions of Use document or a Product Disclosure Statement (PDS) whenever bcu recommends or issues to you a financial product covered by our licence. These documents are designed to give you the information you need to make decisions about our products and will provide you with information regarding:

- Product details - including terms and conditions
- Significant features and benefits
- Cost and risks of the product
- Interest rates and fees and charges

A Terms and Conditions document, a General Conditions of Use document or a PDS is provided for all products delivered on behalf of our business partners including insurance products and travellers' cheques.

Terms and Conditions or Conditions of Use will also be provided before taking out other bcu products including home loans, personal loans, commercial loans, car loans and credit cards.

Who bcu acts for

When we issue our own financial products such as deposit products and non-cash payment products, we do so on our own behalf. Unless otherwise stated, when we provide third-party products we are acting for our business partners.

Our business partners

bcu may arrange to issue financial products on behalf of a third party product issuer, in which case, details such as the name of the product issuer will be contained in the Terms and Conditions or Product Disclosure Statement (PDS) for that financial product.

Commissions we may receive

bcu may be paid commissions by our business partners when you take out the product or service provided by them. Our business partners bear the cost of all commissions. Any payments to bcu do not increase the fees payable by our members. Details of commissions paid to us are:

- Insurance - between 5% and 30% of the base premium paid for each policy, depending on the type of product being provided and the product issuer.
- B_{PAY} - 46 cents on each transaction.
- Visa debit card - When you use a Visa debit card and you select the credit button, we may receive a commission from Visa of no more than a weighted average of 12c per transaction, depending on the type of transaction.
- Wealth creation and management - for any referral to Clearview Financial Advice Pty Ltd ABN: 89 133 593 012 AFSL No.331367 (Clearview), a Licensed Dealer in Securities, which results in a financial plan being provided, we receive up to 20% of any up front planning fee charged together with up to 20% of any ongoing fees that may be charged by Clearview.

Remuneration and benefits

Our staff are salaried employees and receive no other monetary payments that would affect the advice we provide our members.

They may from time to time become eligible, either individually, or as part of a work team, to receive other monetary and non-monetary benefits as a result of meeting individual or team-based performance targets.

What to do if you have a complaint

We value, encourage and learn from your feedback. At bcu we have an Internal Dispute Resolution Scheme for handling complaints.
